05R1VBAX	Steel Primed	10Ga	13.5" Set Back	Y	N	Y	Y	Y	N	'08 - present	Y

The bumper looks good and everyone likes the appearance.

Gives my fleet a different look and will be converting my fleet with this bumper.

I currently have other trucks fitted with AERO CLAD® bumpers and very satisfied with it.

AERO CLAD provides the styling and finish of chrome with the durability of steel without sacrificing fuel economy.
