This unit is equipped with the TIREMAAX®
tire inflation system.

If the lamp remains on continuously for more
than 10 minutes, one or more tires may be low
or the system requires service.

In the event of a substantial system leak, set the trailer
park brakes, then close controller supply valve.

For complete service details, refer to Hendrickson publication
T51002 TIREMAAX Installation, Service and Troubleshooting Procedures,
or call the Hendrickson Technical Services Department in the
United States and Canada at 866-RIDEAIR (743-3247).
