Hendrickson ALL MAKES **AERO CLAD[®]** bumpers for Next Generation Cascadia offer a bright mirrored finish that is both lightweight and durable. Unlike traditional chrome or painted bumpers, AERO CLAD bumpers are corrosion resistant and will not crack, pit, peel or fade. In addition, AERO CLAD bumpers offer greater ground clearance compared to the OEM plastic option resulting in less maintenance due to high curbs, snow drifts or uneven inclines. Backed by a 5-year warranty*, AERO CLAD bumpers offer the quality and reliability that customers have come to expect from Hendrickson.
