Quick-Ship Lift Axles

Hendrickson's Shipping on Demand program will keep you moving with more choices and less hassle than ever before.* Choose from eight different suspensions, steer or non-steer, in a range of capacities from 8,000 to 20,000 pounds.** Hendrickson offers the COMPOSILITE® SC series of lift axles and the TOUGHLIFT® FM for quick delivery. You choose the lift axle that will keep you productive and Hendrickson will deliver.

FMT20	FMT20BXA49AX6XX <i>(previously MT20B-A49A)</i>	20,000	1,125	11 - 13	Not welded	10 Stud Hub Pilot	

COMPOSILITE SCT (08K, 10K, 13K and 20K capacities)

The "Steerable compliant" series of lift axles delivers all the advantages haulers have come to expect with Hendrickson products: reliability, cost-effectiveness and innovations. It is designed with a fabricated axle and integrated knuckles manufactured by Hendrickson for a lighter weight design. Its adjustability features allow you to stock one suspension for multiple frame widths and ride heights.

TOUGHLIFT FMT (20K capacity)

The proven TOUGHLIFT FMT for rugged on- and off-road applications accommodates a TRI-FUNCTIONAL® bushing that helps absorb brake and acceleration forces while providing superior roll-control. The QUICK-ALIGN® feature simplifies the alignment process eliminating welding of the alignment collar.

VALUE ADDED OPTIONS: Plumb-on-Demand and Air Control Systems

Hendrickson now offers a plumbing kit with everything you need to plumb your lift axle. Along with a Hendrickson air control system, the combination allows for quick delivery and simple installation via color-coded hoses.

PLUMB-ON-DEMAND	
Suspension Model	Part Number
SCT08	R-012932
SCT10	R-012932
SCT13	R-005484
SCT20	R-010114
FMT20	R-008072

AIR CONTROL SYSTEMS		
Part Number	Mount Location	Feature
HAC-SSI	Inside	For steerable suspensions
HAC-NSI	Inside	For non-steerable suspensions
HAC-UCO	Outside	Composite box
HAC-USO	Outside	Steel box

* Restrictions apply on the quantity of purchased axles per customer; customers are only eligible for up to three (3) suspensions per order, per business week.

** Shipping duration may vary depending on the time in which the purchase order was received. Purchases placed after 2 p.m. EST are subject to additional shipping hours. Please allow up to three (3) weeks for orders that vary from the item numbers listed above.
