

Material Planner

Wellingborough, UK

Delivery of a customer focused service, whilst meeting all Health & Safety, Quality, Delivery, Cost and Morale targets.

To ensure the right material & consumables arrive at the right time, before the point of assembly fit / dispatch. To work within the framework provided to reduce & challenge inventory levels and ensure no obsolete stock when introducing engineering changes.

To work proactively within a culture of problem solving and continuous improvement, to drive Hendrickson forward.

Role Type: Permanent
Role reports to: Head of Operations
Location: Wellingborough, NN8 6GR
