

# Purchasing Manager

Wellingborough, UK

Delivery of a customer focused service, whilst meeting all Health & Safety, Quality, Delivery, Cost and Morale targets.

To ensure the right material & consumables arrive at the right time, before the point of assembly fit / dispatch. To reduce & challenge inventory levels and ensure no obsolete stock when introducing engineering changes.

To drive, develop and challenge the procurement strategy.

To work proactively, driving best practice and a positive culture of problem solving, continuous improvement and task execution to drive Hendrickson forward.
